Back Rhodes was formed in 2013 and can be described as an energetic mix of country/rock with hints of folk and bluegrass thrown in the mix.

Back Rhodes won WCTK Cat Country 98.1's Hometown Throwdown in September 2016, winning the prize of opening up **Cowboy Up Fest** at **CAMPANELLI STADIUM** in **BROCKTON, MA** featuring **BIG & RICH**, **FRANKIE BALLARD**, **JO DEE MESSINA**, and **TRENT HARMON**. Shortly following this momentous show, Back Rhodes successfully funded a Kickstarter to record their debut album.

"On the Run" was released on April 7th, 2017, and features 7 tracks displaying a wide range of the band's musical styles. The album also features an upbeat cover of Tennessee Whiskey, which is a unique take on an old classic. Back Rhodes was named:

Best Group by New England Country Music in April 2017
